

Enriching Lives:  
Unlocking Potential

31<sup>st</sup> January 2019

Dear Parents/Carers

We are writing to inform you of some exciting news. Some of our families will be aware of the very successful overnight residential that many of our year 6 children attended at **Blackwell Adventure** last week. This was the beginning of a fabulous new initiative called **11B411** where all children at our school will take part in **memory-making adventures** during their time at **Moor Green**.

These will take the form of adventures such as hiking up a hill (Hiking Heroes), growing food and eating it (Seeds to Supper), riding a large animal, camping under the stars, creating a large sculpture, 10 good deeds in 10 days, flash mobs and many more.

In **KS2** we will be preparing the children for sleeping away from home and eventually camping. This will begin with children sleeping overnight in the school hall moving on to camping in the school grounds and building up to several nights away in year 6.

Keep a look out for which adventure your child will be taking part in this year. Class teachers will write to you nearer the time once activities have been confirmed and will be able to answer any questions you may have.

Yours sincerely

Susie Bonczyk

Adventure Ambassador
