

Enriching Lives:
Unlocking Potential

Dear Parents and Carers,

Please find a copy of our Ofsted report attached. The report will be published on the Ofsted website on February 27th.

We are delighted with the 'Outstanding' judgement. The content of the report is testament to the incredibly dedicated and talented staff team here at Moor Green who work tirelessly every day to ensure children receive the very best pastoral care and education. It is also testament to the incredible support we receive from yourselves and the PTA, for which we are extremely grateful. The report also highlights just how truly amazing your children are - both in terms of their academic achievements but equally in the respect they show for one another, the adults that work with them and the school community.

The 'Good' judgement for Behaviour was not 'Outstanding' because attendance, although improving, is still below national average. Please continue to work with us to improve this important aspect.

I hope you enjoy reading the report and feel prouder than ever to be part of the Moor Green community. Our vision has always been to become the number one school of choice in the local area, providing fantastic experiences that enrich lives and unlock potential. This report will go a long way to help realising that vision and we look forward to working closely with you as the journey continues.

If you have any questions regarding the content of the report, please do not hesitate to get in touch.

Have a wonderful half-term break.

Yours sincerely,

Mr T Twort

Head of School
