

Enriching Lives:  
Unlocking Potential

8<sup>th</sup> January 2020

Dear Parents/Carers,

At the start of this term, we have moved to a new catering provider, Chartwells. This means that there has been a change in the menu and the food that is served – a change everyone is very excited about!

A menu will be sent home with your children by the end of the week showing you the food that is on offer. It is a three week menu and supports a balanced, nutritious and varied diet.

You will see from the menu that there is a larger selection of food now on offer which includes baked potatoes and sandwiches every day, giving the children the option to create their own healthy meals.

We have already received positive feedback from the children about the improvement in the food and they are enjoying making their own choices!

If your child normally has a packed lunch and would like to have a school dinner they can do so. They simply need to notify their teacher when they take the dinner register in the morning and you need to credit your account on Parentpay to pay for the meal.

If you need any assistance with Parentpay, or have any queries about our new school meals please speak to the School Office.

Yours sincerely,

**Mr. T. Twort**
