

0Enriching Lives: Unlocking Potential

High Expectations. Integrity. Nurturing. Always Learning. Working Together. Taking Responsibility – No Excuses

Year 3 – Stone Age to Iron Age

Please complete a minimum of three tasks per half term. You may present your work in any way that you wish. We look forward to seeing some of your amazing creations! Have fun!

	Option 1	Option 2
Remember	When did the iron age start? When did it spread throughout Europe?	Research who the Celtic tribes were and what they did.
Understand	Understand how iron was made. Useful websites: https://www.dkfindout.com/uk/history/iron-age/how-was-iron-made-in-iron-age/	Find out what jobs people did in an iron-age village.
Apply	Find out what accessories were made using iron.	Explore what the 3 stone age periods are. Useful website: http://www.kidsgen.com/school_projects/stone_age_cave_painting.htm
Analyse	Compare and group together different kinds of rocks on the basis of their simple, physical properties.	Research life for a stone age child. How does it compare with your day-to-day life in Birmingham?
Evaluate	Look at how people in the stone age built their houses. Do you think they were made well?	Make a cave painting. Ask a member of your family to evaluate it and give you feedback.
Create	Create art pieces by joining materials together by stitching.	Design a stone age menu. Useful websites: https://www.dkfindout.com/uk/history/stone-age/stone-age-food/
