

Enriching Lives:
Unlocking Potential

March 2020

Dear Parents/Carers,

We are opening a new dedicated Well Being Hub in school. This will provide pupils with an oasis of calm to support their spiritual and emotional health.

It is attractively decorated and has a choice of engaging activities that will encourage pupils to think about themselves, others, our planet and the importance of self-reflection. It will be suitable for children of all faiths and for those without a religious faith.

Pupils in Year 5 will visit the Well Being Hub during this half term in small groups and will learn about how they can benefit from quiet reflection time. Other year groups will take turns to access the space throughout the year.

Last year we hosted a similar Reflection Space and pupils reported that they found it beneficial to have some time in a safe space to think about what is important in life.

If you would like further information, please speak to Ms Chapman in Oak class.

Yours sincerely,

Ms C Chapman
