

Birthday Celebrations in School

Due to restrictions, we have been unable to celebrate children's birthdays in weekly phase celebration assemblies or to share cakes or treats from home.

At home, children are also missing out on celebrating their birthdays with family and friends at traditional parties. We understand that the children have had to adapt to so many changes both at home and at school and their emotional well-being is very important to us.

Therefore, we would like to give them the opportunity to celebrate their birthdays with their friends in school! At the end of each half term, we will be holding 'Birthday Party Afternoons'. These will be held in class groups and will be a chance to celebrate the birthdays of all the children in that class who have had a birthday in that half term and in the previous holiday break.

During the afternoon, the children will be able to join in with some fun games and activities with a party atmosphere! The PTA will be using funds from events, such as non-uniform days, to provide treats for each class. Please do not send in contributions from home as we are unable to accept these. As it will be the last day of term, it will be non-uniform day.

If your child has already had a birthday during September or October, they will be included in the first birthday celebration, on Thursday 17th December.

We are looking forward to sharing these special times together in school!

Thank you for your support,

Ms Chapman

Head of School
