

# Forest School training at Moor Green Primary Academy!

## What is Forest School?

Forest School is a unique, nature-based, holistic experience that develops a love of nature. Supports curriculum understanding; Promotes sustainability.

## Is Forest School for you and your school?

Want to make the most of the natural world and see improvements in your pupils' behaviour and attitudes by helping them to recognise and regulate their emotions'

Would you like to gain an accredited qualification in Forest School to fill you with confidence in both your skill set and nature-knowledge when exploring the woods with your children?

## Isn't this Outdoor Learning?

Forest School goes even further than Outdoor Learning, immersing children in nature in a holistic way, filtering out into and developing their emotional worlds. Here at Moor Green you will learn all the skills you need to gain your Level 3 accredited Certificate in Leading Forest School qualification and successfully lead Forest School sessions at your school - and much more besides!

## What is the cost?

For £1000+VAT you will:

- spend 8 days at Moor Green Primary Academy being trained in both the theory, practical and health and safety aspects of Forest School with Susie, our on-site trainer
- be visited by Susie at your school site whilst you are delivering a Forest School session
- receive continued support from both Susie and your fellow trainees to help you with your portfolio, which you have 9 months to complete
